

OUR ENVIRONMENT, EVERYONE'S SAFETY

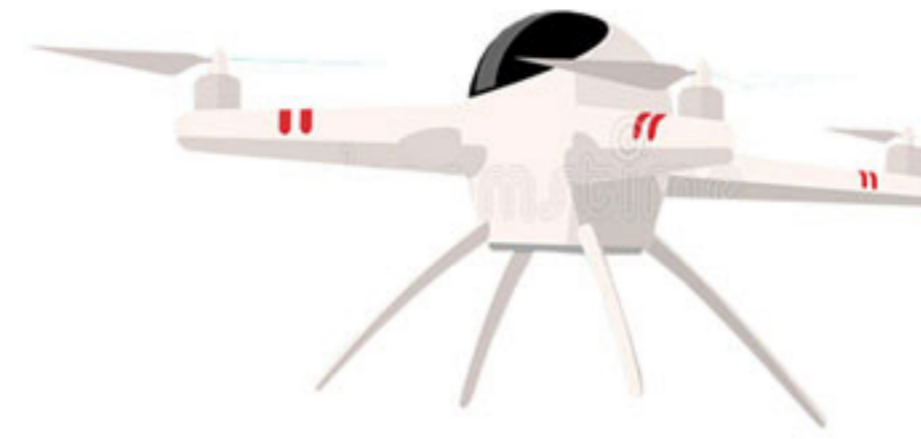

The safety and well-being of our guests and team members have always been and remain our top priority. While we continue to find ways to delight our guests, we are mindful of our actions and implement responsible practices to ensure your health and safety. All our guests are equally important to us and below are the steps that we take to safeguard your health and safety.

1 Smoking Areas

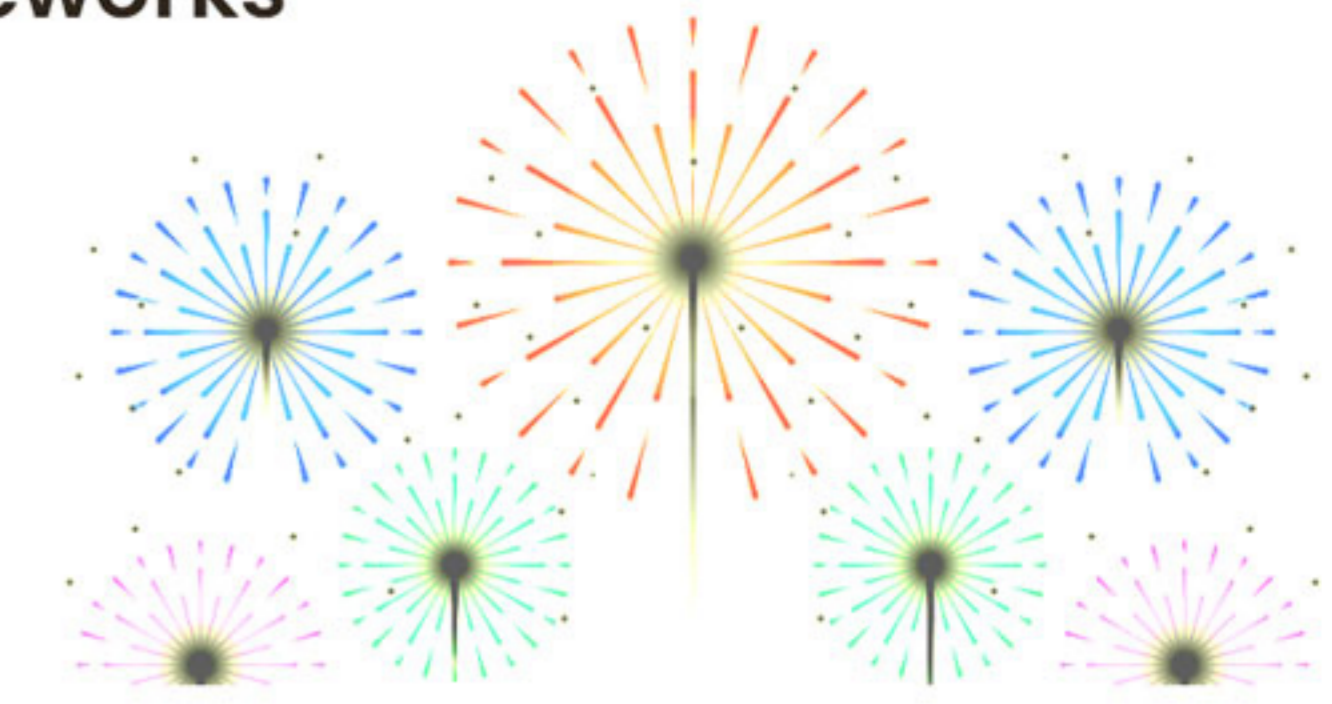

Smoking is prohibited throughout the resort, including the rooms, and only permitted at designated smoking areas at Zone A (Refer to the map for exact details). Do ensure the cigarette butt is stubbed out and disposed of properly after smoking to avoid a fire or polluting our environment.

2 Drone Flying

All drones and radio-controlled aircraft and devices are not permitted to fly in public areas of Nirwana Gardens except for designated drone areas (Refer to the map below for exact details).

3 Fireworks

The use of fireworks, including sparklers and explosives of any kind is prohibited by law.

● Zone A Designated Smoking Area

- A1 - Front of ZT Bar & KTV
- A2 - Poolside Restaurant Bar
- A3 - NBC waiting area
- A4 - Mayang Sari foyer
- A5 - The Kelong Seafood Restaurant entrance
- A6 - Calypso Floating Bar

● Zone B Designated Drone Area

- B1 - La Luna
- B2 - Camp Able

OUR ENVIRONMENT, EVERYONE'S SAFETY

The safety and well-being of our guests and team members have always been and remain our top priority. While we continue to find ways to delight our guests, we are mindful of our actions and implement responsible practices to ensure your health and safety. All our guests are equally important to us and below are the steps that we take to safeguard your health and safety.

4 Jellyfish Warning

It is important to note the seasonal occurrence of jellyfish along our beaches. We would urge you to be cautious and take precautions while swimming in the waters. If you have been stung by jellyfish, please approach our staff for assistance.

5 Bicycle Riding

We are a bicycle-friendly resort, however do note that cycling is prohibited at all lobbies and corridors of our premises for the safety of our guests.

6 Noise

Restful hours are from 9pm to 9am. Please be mindful to keep noise levels to a minimum for the consideration of all guests.

7 Cooking

Cooking inside the Nirwana Resort hotel room, Mayang Sari Beach Resort chalet, and Nirwana Beach Club Cabana is prohibited. Cooking can only be done in the kitchen at Banyu Biru Villas and Indra Maya Pool Villas kitchen.

8 Fishing

All kinds of fishing activities are not allowed on any premises at all times. For permitted fishing (fees applies), please approach Guest Information Centre for arrangements.

9 Durian

Consumption and storing of durians are strictly not allowed in Nirwana Gardens' premises at all times.

Nirwana Gardens reserves the right to evict guests and charge the cost for rectifying damages caused by accidental, deliberate, negligent or reckless act. Any person who violates any rules or regulations shall be guilty of non-compliance and is a criminal offence.
